Re: Trisha Tshudy v. Pennsylvania State University
Case ID No. 4:22-cv-01431

**Request for Settlement Conference; Plaintiff's Outstanding Motion
For Injunction and Defendant's Motion to Dismiss; Termination of
Plaintiff's Medical Insurance and Communication with PSU**

Dear Judge Brann:

Please be advised that I represent the plaintiff in the above-captioned case. Presently, I understand that the posture of the case is that there are outstanding motions pending, which are indicated above. As you may know, plaintiff is a student at Dickinson Law School with a disability of severe Lyme disease. I write to the Court to advise that it is my understanding that Penn State University has terminated plaintiff's medical insurance and that she has been forced to apply for such insurance through government assistance. Plaintiff also tried to communicate with the appropriate persons at Dickinson with regard to financial aid, which she was barred from doing because of the termination of her university account.

I note that in the Eastern District of Pennsylvania, where this case was originally filed on 8/21/22, that a settlement conference with a Magistrate Judge was scheduled soon after filing. Obviously, the settlement conference was abrogated when the case was transferred to the Middle District of Pennsylvania. Accordingly, I would request that the Court schedule a settlement conference as soon as possible. I strongly believe that this case can be settled. I would request that the settlement conference be with a Magistrate Judge and possibly done by Zoom or phone.

Respectfully,

William C. Reil
